

Sabratek 3030 The Universal Pump

Delivering multiple
therapies *now*
and in the *future*.

Sabratek Simplicity

- YES/NO programming
- Multiple profiles
- Start delivery by just pressing ON & RUN
- Clearly displayed messages
- Spanish or English

Sabratek Cost Effectiveness

- Reduces pump inventories
- User selectable straight-line administration sets from Abbott, Baxter, McGaw & Sabratek
- Minimizes user education time
- Delay delivery allows more effective time management
- The intermittent profile saves pharmacy and nursing time by using a multidose container
- Improves outcome analysis

The Universal Pump
